Immigrated in 1921

In 1930 was still not a citizen

Married at 15 according to 1930 census lived at 554 Intervale Avenue with Joseph, Abraham Schwartz (28), Clara Roiter (33), Isidor Roiter (11)

Here lies

Bella, daughter of Shmarya

Died on the 1st day of the Jewish month of Adar, 5714

May her soul be bound up in the bond of everlasting life

There's a small issue here. Mar. 5 1954 would have been the 30th of Adar I, 5714, and only after sunset, the 1st of Adar II, 5714.) It was a leap year, with two Adars. The tombstone fails to indicate that it was Adar Bet (the second Adar in a leap year) and not Adar Aleph (the first Adar) which it should. I'm surprised to see a mistake like that.

Harry and Rose Schwartz Family History:

Harry Schwartz (Marcus's father) was the son of Joseph Schwartzman (changed to Schwartz upon entry to the US). Harry grew tobacco in today's Ukraine. Harry travelled down river ("Graenitz"? between Besarabia and Russia) to sell tobacco to Rose Trachtenbroit's father in town of Mogilev-Podolski (in today's Ukraine). That is where he met Rose.

Rose is the daughter of her father's first wife (who was killed in a sleigh accident as a young woman). Rose eventually 'escaped' to an 'aunt' in England. She was then sent to an "uncle" (the aunt's brother) Frank, who lived on Webster Ave, in the Bronx, NY.

Harry followed her to the US.

Joseph also came to the US and became a presser in the garment trade. Harry started as a sewer in the fur trade; eventually he owned a small manufacturer, but lost money and went out of business. Harry then bought a corner toy and stationary store (at NW corner of 233rd and White Plains Rd, Bronx, NY).

At some time after they were married, Rose took a trip to visit 'baths' in Mont Cliners?, Michigan. Rose left son Marc at 'Bubba's' (Marc's grandmother, Bela Schwartz) house while she was away. Bubba told Harry that Rose wasn't at the baths, but that she was 'fooling around' with another man. When Rose returned home, Harry told Rose what Bubba had said. Rose was so angry that she broke off all relations with the Schwartz side of the family. From then on, Harry never saw his brother and sisters (Abe (Abraham), Anna, Clara (Chika- pronounced 'chyka'), and Rachel.

Abe, Harry's brother, lived in Brooklyn, NY. Never had children.

Anna, Harry's sister, lived with her mother (Bubba Bela) after her husband died in WWII. She had 1 son.

Clara (Chika), Harry's sister, lived in the Bronx, NY. Had 2 children.
